

# AFRICAN PERSPECTIVES ON GLOBAL TRANSFORMATIONS

SGAS/SSEA & VAD CONFERENCE | BASEL, 26–28 AUGUST 2026

Be part of something Bigger!

Volunteer at the international conference  
*African Perspectives on Global  
Transformations* at the University of Basel.

Be part of a week of exciting encounters  
of the African Studies Community.

From 26 to 28 August 2026, the Swiss Society for African Studies (SGAS/SSEA) and the Association for African Studies in Germany e.V. (VAD) will jointly hold their respective biennial conferences in Basel, Switzerland. The conference hosted by the ZASB Research Network Africa at the University of Basel connects scholars based in Europe, Africa and beyond and welcomes participants from all career levels.

**+500  
PARTICIPANTS**

## WHY VOLUNTEER?

Direct Access to the African Studies academic and policy sphere.

A unique behind-the-scenes experience of an international conference.

A networking platform to meet like-minded students and young scholars.

Meet some of the authors you've been studying.

Add a valuable experience to your CV (A certificate will be issued).

Complimentary access to the conference and side-events.
